

VIETNAMESE AFFAIRS STAFF

OFFICE OF THE DIRECTOR OF CENTRAL INTELLIGENCE  
Approved For Release 2004/12/02 : CIA-RDP80R01720R000800010026-1

DATE: 13 Nov 72

TO: Mr. [REDACTED]  
C/FE

FROM:

SUBJECT:

REMARKS:

1. Attached, with the Director's approval, is one copy of the Working Group C study together with a copy of the note via which it was transmitted to Dr. Kissinger on 10 November and a copy of the note by which it was transmitted on 13 November to the WSAG principals plus the Secretary of Defense, the Director of DIA and the Director of NSA.

2. The Director is very anxious to keep the number of copies of this document in circulation as small as possible. Would you therefore consider yourself custodian of the "DDP copy." [REDACTED] quite properly, has asked where his copy is and I plan to tell him it is in your possession. I will make a similar, low-key response to any like queries from Tom K. At this writing, the only copies outside of my office are the ones noted on the two external transmittal notes, one in Paul Walsh's possession and one in yours. I will naturally go over this document with Tom Polgar when I see him and will certainly want him to read it and offer any comments he cares to make.
